

Day of *with Dana*

You can entrust everything you have
planned for your day with Dana!

You have made all of the plans. Let me help you enjoy them.

On your big day, you don't want to be worrying about receiving your caterer, getting your go-bag into the getaway car, if the DJ has pronounced your friends' names correctly or making sure your Aunt Sue's heirloom pin made it to the guestbook table.

As your day-of coordinator, I'll handle the logistics and make your day run like a breeze so you can enjoy uninterrupted cocktails, laughs and special moments.

My name is Dana Stuckey. I will be your detail manager and shoulder to lean on. I am here to help those couples who plan their wedding themselves, but need someone to oversee and execute the details on the actual day.

"Easily the best bang-for-your-buck money we spent on the wedding (and to be honest, we almost didn't get a day of coordinator). Trust me, spend less on decorations and hire Dana instead. She's extremely detail oriented, but she's also very personable, so she'll be fun for you, your spouse, and your friends/family to interact with!" -Isabella
